No.-XXXII/01/States (Zone -V)/2015-856

Dated: 28 Nov 2016

Dear Sh. Aman Sapra,

We wish to thank you for your proactive efforts in identifying and reporting a 'SQL Injection Vulnerability' in an asset of our National Critical Information Infrastructure. The concerned organisation has been advised to take immediate remedial action.

We look forward to your continued inputs and contribution towards protecting our National Critical Information Infrastructure (NCII).

(Cmde A. Anand)
Director, NCIIPC
